

# SESSIONS

DAY 1 - TUESDAY, 10 SEPTEMBER 2024 - 10/09/2024

5G Core Summit

10 - 11, September 2024

Atlantis The Royal  
Dubai, United Arab Emirates

## Registration and Exhibition

08:30 - 10:00

Sign-In and Opening Speeches

## Welcome Introduction

10:00 - 10:05

Sign-In and Opening Speeches

## Participants

**Mark Oliver** - Vice President, Consulting, Omdia

## Welcome Address

10:05 - 10:15

Sign-In and Opening Speeches

## Participants

**Bocar Ba** - Chief Executive Officer, SAMENA  
Telecommunications Council

## Welcome to 9th 5G Core Summit

10:15 - 10:20

Sign-In and Opening Speeches

Why are we hosting it in Dubai again

MECA region to become global leader in technology innovation, with UAE pointing the way

Importance of Telecom Core Network infrastructure in building 10Gbps societies

## Participants

**Allen Tang** - President of ICT Marketing & Solution Sales Department, Middle East and Central Asia, Huawei

## Global Mega-Trends 2030: 5G/5.5G Core Industry Intelligence

10:20 - 10:35

Intelligent Core Trends

- Market expansion opportunities – current size and share
- Emerging technologies, growth forecast patterns and predictions
- The role of AI in the future of 5.5G

## Participants

**Roberto Kompany** - Principal Analyst, Omdia

## Building the Future: UAE Network Construction

10:35 - 10:50

Intelligent Core Trends

- Strategy for 5G-A core construction
- Innovation for 5G B2B business

## Participants

**Khaled Al Suwaidi** - Senior Vice President of Core Networks and Platforms, e& UAE

## Accelerate 5G-A Development in the Mobile AI Era Seizing Service Entry Points and Enabling Experience Monetization

10:50 - 11:10

Intelligent Core Trends

- 5G-A Core New concept
- Global 5G-A Updates

## Participants

**George Gao** - President, Cloud Core Network Product Line, Huawei

## Build SA Core From Day 1: DITO Core Network Practice Sharing

11:10 - 11:25

Intelligent Core Trends

- DITO SA Network Key success DNA
- DITO SA Network Business Progress

## Participants

**Rodolfo Santiago** - Chief Technology Officer, DITO Telecommunity

## Towards 5G-A: Turkcell Core Network Evolution and Business Development

11:25 - 11:40

Intelligent Core Trends

- 5G-A Strategy of Turkcell
- Core Network Evolution of Turkcell to 5G-A

## Participants

**Pınar Yavuzaslan Kılıç** - Broadband Network Associate Director, Turkcell

**Deniz Celik** - Enhanced Voice Services Associate Director, Turkcell

## Monetizing 5G & 5G Advanced: New Trends, Services & Business Models

11:40 - 11:55

Intelligent Core Trends

- The current status of 5G monetization
- Global trend of experience monetization
- 5G-A bring intelligence to carriers core network for better experience monetization
- 5G & 5G-A in B2B market -services and business models driving progress

## Participants

**Pablo Iacopino** - Head of Research and Commercial Content, GSMA Intelligence

## Networking Lunch

11:55 - 14:00

Intelligent Core Trends

## Du 5G Core Network Strategic Planning

14:00 - 14:15

Network Intelligence Reshapes Business Models

Differentiated experience, FWA, B2B

## Participants

**Qadri Alahdal** - Core Planning Director, Du

## CUCC Core Network Cloud Construction and 5G Business Success Stories

14:15 - 14:30

Network Intelligence Reshapes Business Models

- China Unicom's 5GtoB Construction Experience
- Crisis and Breakdown of 5G Business Success

## Participants

**Jingxian Wu** - General Manager, China Unicom Global Saudi Branch

## Continuously Unleash Potential of Network Intelligence, Enable Business Success

14:30 - 14:45

Network Intelligence Reshapes Business Models

## Participants

**Jeffrey Wu** - President of the Packet Core Network Domain, Cloud Core Network Product Line, Huawei

---

## Innovation and Efficiency: How Emerging Markets Benefit from Latest Developments in Telco Technology

14:45 - 15:00

Network Intelligence Reshapes Business Models

### Participants

**Khalid M Shareef** - International Core SVP, e& Group

---

## Network Intelligence White Paper Released, with GlobalData

15:00 - 15:15

Network Intelligence Reshapes Business Models

- Network intelligence assists operators in building new business model - experience monetization.
- Experience monetization helps operators gain profits
- Brief ceremony for the release of a white paper.

### Participants

**Glen Hunt** - Principal Analyst, GlobalData

---

## Coffee Break & Exhibition

15:15 - 15:45

O&M Intelligence Reconstructs O&M Mode

---

## Core Autonomous Networks Assessment

15:45 - 16:00

O&M Intelligence Reconstructs O&M Mode

- ANL assessment & L4 high value scenario updated
- The role of AI help to achieve L4
- How core network implementation

### Participants

**Ota Vangjeli** - Cloud Native IT & Networks Director, TM Forum

---

## Philippines Most Reliable Network 5 Times in a Row

16:00 - 16:15

O&M Intelligence Reconstructs O&M Mode

Actively participate in ANL assessment to firm the direction of high-stability network construction

How we construct our core network architecture to stay resilience

How we take intelligence approach to prevent core network outage from outside & inside failures

### Participants

**Gerard Ortines** - Vice President of Core Network Planning, Engineering and Implementation, Globe Telecommunication

---

## Automation Accelerates the Automation and Network Resilience of AIS Core Network

16:15 - 16:30

O&M Intelligence Reconstructs O&M Mode

### Participants

**Noppadon Pongsri** - Head of Mobile Core Network Planning & Operation, AIS

---

## O&M Intelligence: Telco Cloud Native is Coming

16:30 - 16:45

O&M Intelligence Reconstructs O&M Mode

Moving towards a highly stable, E2E automation and intelligent telco cloud native era

### Participants

**Leo Ma** - Vice President of Cloud Core Network, Huawei

---

## CellC's Hierarchical Solution Awaken the Force of Telco Cloud

16:45 - 17:00

O&M Intelligence Reconstructs O&M Mode

- Cell C Challenges : High Stability ; Simplified O&M; Best TCO
- Cell C Telco Cloud Journey-Core Network Modernization: Stability, Multi-OS upgrade, Intelligent O&M; Energy Saving
- Future Outlook

### Participants

**Mogodi Isaac Ragophala** - Executive of Core and Transport Networks, CellC

---

## Awards Ceremony

17:00 - 18:00

O&M Intelligence Reconstructs O&M Mode

# SCHEDULE

DAY 1 - TUESDAY, 10 SEPTEMBER 2024 - 10/09/2024

5G Core Summit

10 - 11, September 2024  
Atlantis The Royal  
Dubai, United Arab Emirates

TIME	SIGN-IN AND OPENING SPEECHES	INTELLIGENT CORE TRENDS	NETWORK INTELLIGENCE RESHAPES BUSINESS MODELS	O&M INTELLIGENCE RECONSTRUCTS O&M MODE
08:00	08:30 - Registration and Exhibition			
10:00	10:00 - Welcome Introduction 10:05 - Welcome Address 10:15 - Welcome to 9th 5G Core Summit	10:20 - Global Mega-Trends 2030: 5G/5.5G Core Industry Intelligence 10:35 - Building the Future: UAE Network Construction 10:50 - Accelerate 5G-A Development in the Mobile AI Era Seizing Service Entry Points and Enabling Experience Monetization		
11:00		11:10 - Build SA Core From Day 1: DITO Core Network Practice Sharing 11:25 - Towards 5G-A: Turkcell Core Network Evolution and Business Development 11:40 - Monetizing 5G & 5G Advanced: New Trends, Services & Business Models 11:55 - Networking Lunch		
14:00			14:00 - Du 5G Core Network Strategic Planning 14:15 - CUCC Core Network Cloud Construction and 5G Business Success Stories 14:30 - Continuously Unleash Potential of Network Intelligence, Enable Business Success 14:45 - Innovation and Efficiency: How Emerging Markets Benefit from Latest Developments in Telco Technology	
15:00			15:00 - Network Intelligence White Paper Released, with GlobalData	15:15 - Coffee Break & Exhibition 15:45 - Core Autonomous Networks Assessment

# SCHEDULE

DAY 1 - TUESDAY, 10 SEPTEMBER 2024 - 10/09/2024

5G Core Summit

10 - 11, September 2024  
Atlantis The Royal  
Dubai, United Arab Emirates

TIME	SIGN-IN AND OPENING SPEECHES	INTELLIGENT CORE TRENDS	NETWORK INTELLIGENCE RESHAPES BUSINESS MODELS	O&M INTELLIGENCE RECONSTRUCTS O&M MODE
16:00				<p><b>16:00</b> - Philippines Most Reliable Network 5 Times in a Row</p> <p><b>16:15</b> - Automation Accelerates the Automation and Network Resilience of AIS Core Network</p> <p><b>16:30</b> - O&amp;M Intelligence: Telco Cloud Native is Coming</p> <p><b>16:45</b> - CellC's Hierarchical Solution Awaken the Force of Telco Cloud</p>
17:00				<p><b>17:00</b> - Awards Ceremony</p>

# SESSIONS

DAY 2 - WEDNESDAY, 11 SEPTEMBER 2024 - 11/09/2024

5G Core Summit

10 - 11, September 2024  
Atlantis The Royal  
Dubai, United Arab Emirates

---

## Registration, Exhibition and Refreshments

08:30 - 10:00

Service Intelligence Regains the Entry Point

---

## Voice Development: Past, Present & Future

10:00 - 10:15

Service Intelligence Regains the Entry Point

- Present situation of global voice development
- Global development of New Calling
- New opportunities with booming of AI

## Participants

**Greg Collins** - Founder & Principal Analyst, Exact Ventures

---

## Convergence and VoNR as Foundation for Voice Network Innovation

10:15 - 10:30

Service Intelligence Regains the Entry Point

## Participants

**Amir Ali Syed** - Vice President of Fixed & Mobile Voice Core & Services, e& UAE

---

## The Way of 5G Real-time Communication Business Success Exploration

10:30 - 10:45

Service Intelligence Regains the Entry Point

## Participants

**Khalifah Almulla** - Core Team Leader, Zain Kuwait

---

## GSMA Data Channel Progress Update

10:45 - 11:00

Service Intelligence Regains the Entry Point

- TS.66 Specification Scope
- UEIMSDC Technical Test Case Scope

## Participants

**Walter Zielinski** - IMSDCAS Chair, GSMA TSG

---

## 5G-A Oriented Voice Network Evolution, Innovation Wins Future

11:00 - 11:15

Service Intelligence Regains the Entry Point

## Participants

**Haiyong Chen** - President of CS&IMS Domain of Huawei Cloud Core Network Product Line, Huawei

---

---

## Panel Discussion: Intelligent Core Reshapes Business

11:15 - 12:00

Service Intelligence Regains the Entry Point

---

## Networking Lunch & Exhibition

12:00 - 13:40

Service Intelligence Regains the Entry Point

# SCHEDULE

DAY 2 - WEDNESDAY, 11 SEPTEMBER 2024 - 11/09/2024

5G Core Summit

10 - 11, September 2024  
Atlantis The Royal  
Dubai, United Arab Emirates

TIME	SERVICE INTELLIGENCE REGAINS THE ENTRY POINT
08:00	08:30 - Registration, Exhibition and Refreshments
10:00	10:00 - Voice Development: Past, Present & Future 10:15 - Convergence and VoNR as Foundation for Voice Network Innovation 10:30 - The Way of 5G Real-time Communication Business Success Exploration 10:45 - GSMA Data Channel Progress Update
11:00	11:00 - 5G-A Oriented Voice Network Evolution, Innovation Wins Future 11:15 - Panel Discussion: Intelligent Core Reshapes Business
12:00	12:00 - Networking Lunch & Exhibition
