

THE CONNECTING AFRICA SERIES OF EVENTS GOES VIRTUAL

Continue to gather with senior leaders across your ecosystem and beyond, securing your yearly networking and learning opportunities.

Attendees

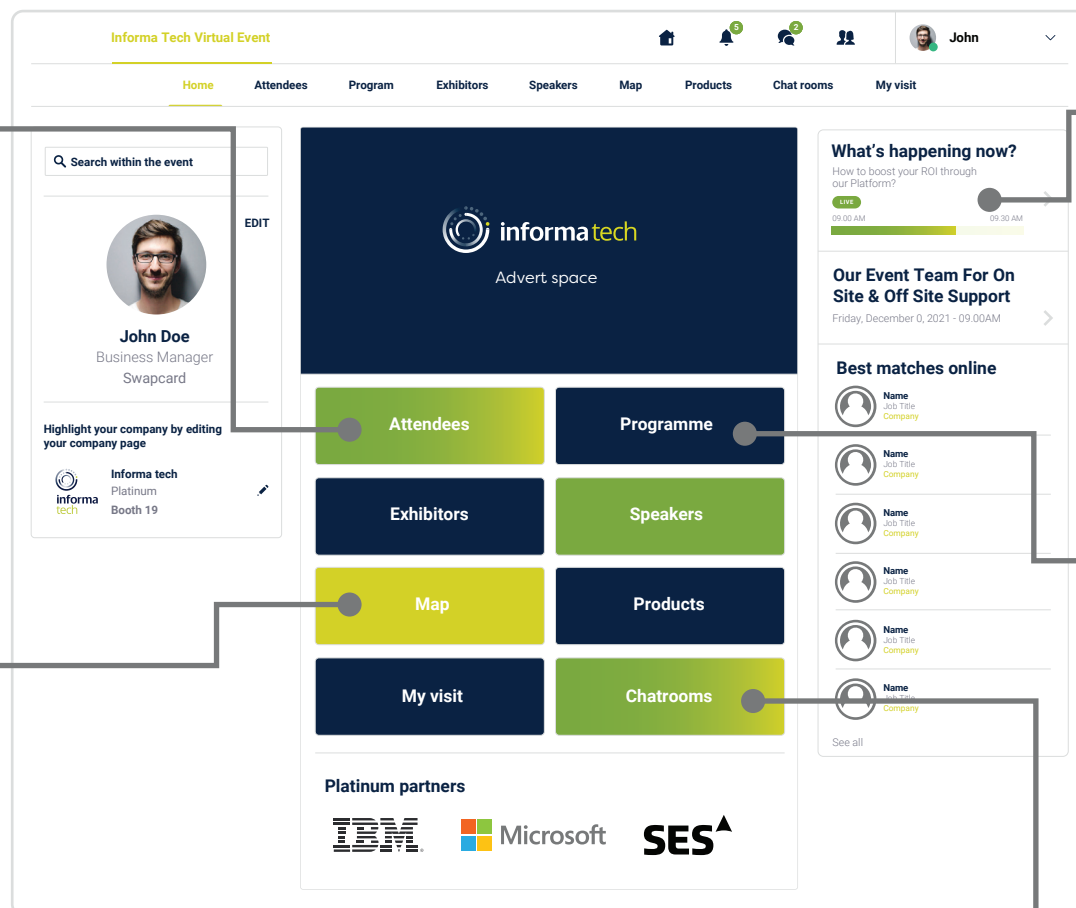

- Connect with a **global network** from across the industry.
- Attendees now only need an internet connection to join the community.

Map

- Navigate around our virtual interactive expo - **engage in targeted conversations** with our sponsors and exhibitors to learn more about their latest products.

People you should meet

- Our **AI-driven platform** enables you to maximise your time online.
- We suggest **potential attendees** to connect with, **create personal agendas** and find the best solutions for you.
- All based on the preferences you provide.

What's happening now?

- Engage in **live Q&As and polls** within sessions.
- Ensure your questions are answered and further facilitate the conversation.

Programme

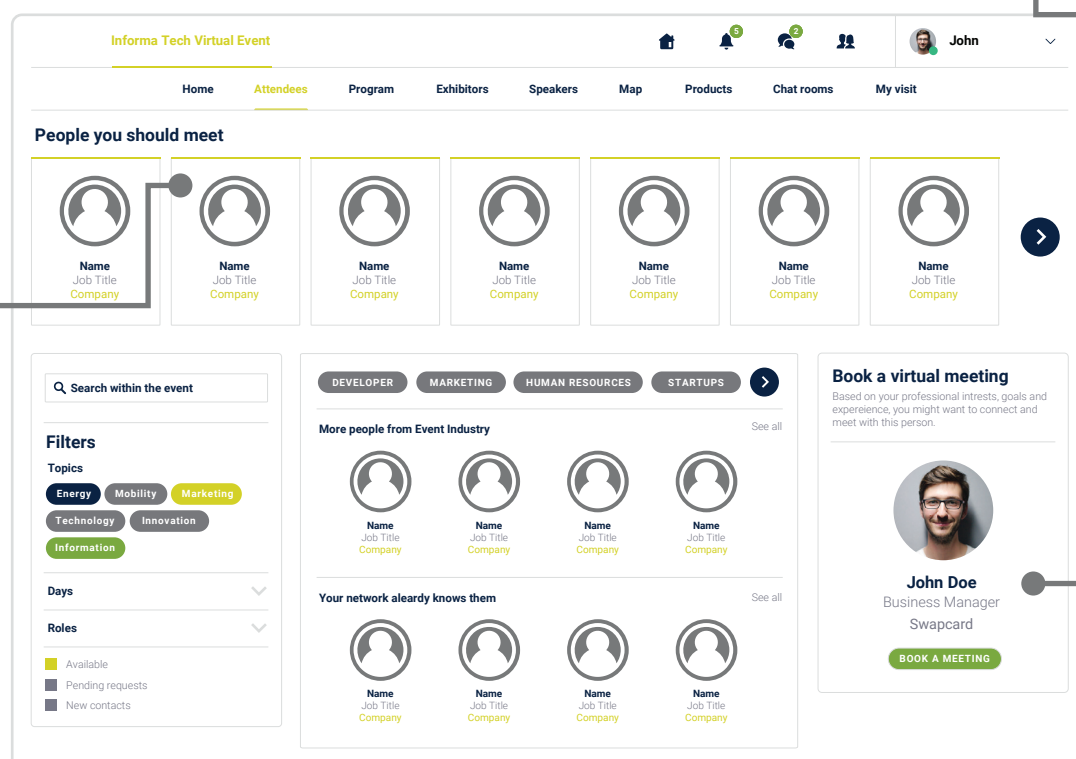

- Engage with our **expert speakers** as they deliver panel sessions, presentations and keynotes on the hottest topics.
- Watch **live or on-demand** at a time that suits you best.

Chat rooms

- With **networking lounges and sessions**, we provide the opportunity to find like-minded peers and engage in 1-2-1 and group chats.

Book a virtual meeting

- Secure that **face-to-face** interaction and book virtual meetings with fellow peers or solution providers.
- Be inspired to **create new connections** and business contacts.

The best bit? There are no travel, geo or cost restrictions, making our events more accessible than ever before!
