

---

### Introduction of 5G Summit

15:40 - 16:00

---

### Opening & Welcome Speech

16:00 - 16:15

---

### Great Expectations of 5G

16:15 - 16:25

#### Participants

**Stephanie Lynch-Habib** - CMO, GSMA

---

### Rubber Meets the Road

16:25 - 16:35

#### Participants

**Wang Xinhui** IMT2020 - Member of Advisory Committee, IMT2020

---

### Driving 5G New Infrastructure

16:35 - 16:45

#### Participants

**Robert (Bob) Swan** - CEO, Intel

---

### The Potential for 5G as a Catalyst for Telco Transformation

16:45 - 16:55

#### Participants

**Shaun Collins** - CEO, CCS Insight

---

### Moderator Speech

16:55 - 17:00

#### Participants

**James Crawshaw** - Principal Analyst, Omdia

---

### 5G Build-Out Strategies of China Unicom

17:00 - 17:10

---

### Start Walking 5G

17:10 - 17:20

#### Participants

**Werner De Laet** - Chief Enterprise Officer, Innovation & Wholesale, Orange Belgium

---

---

### Telkomsel 5G Adoption Strategy

17:20 - 17:30

#### Participants

**Marfani Hasan** - Vice President, Network Architecture, Telkomsel

---

### Moderator Speech

17:30 - 17:35

#### Participants

**James Crawshaw** - Principal Analyst, Omdia

---

### 5G Use case: New infrastructure (video)

17:35 - 17:40

---

### 5G Use case: Port (Video)

17:40 - 17:45

---

### 5G Use case: Beekeeping (Video)

17:45 - 17:50

---

### Industrial Park (remote visit)

17:50 - 18:05

---

### 5G Empowers Industrial Transformation

18:05 - 18:15

#### Participants

**Stanley Chen** - Director of Oversea Market, 5G Industry Product Department, ZTE

---

### Moderator Speech

18:15 - 18:20

#### Participants

**James Crawshaw** - Principal Analyst, Omdia

---

### Energy Efficiency in the 5G Era: Green Is the New Black

18:20 - 18:30

#### Participants

**Tim Hatt** - Head of Research, GSMA

---

### Innovations Sparkle Value

18:30 - 18:40

#### Participants

**Bai Gang** - Vice President, ZTE

---

---

### 3 Proposals on Wireline Network in 5G Initial Stage

18:40 - 18:50

---

### Closing Remarks

18:50 - 18:55

#### Participants

**James Crawshaw** - Principal Analyst, Omdia

# SCHEDULE

DAY 1 - GLOBAL 5G SUMMIT -

Global 5G Summit and User Congress 2020

24-25 November 2020  
Virtual Event

TIME	
15:00	15:40 - Introduction of 5G Summit
16:00	16:00 - Opening & Welcome Speech 16:15 - Great Expectations of 5G 16:25 - Rubber Meets the Road 16:35 - Driving 5G New Infrastructure 16:45 - The Potential for 5G as a Catalyst for Telco Transformation 16:55 - Moderator Speech
17:00	17:00 - 5G Build-Out Strategies of China Unicom 17:10 - Start Walking 5G 17:20 - Telkomsel 5G Adoption Strategy 17:30 - Moderator Speech 17:35 - 5G Use case: New infrastructure (video) 17:40 - 5G Use case: Port(Video) 17:45 - 5G Use case: Beekeeping(Video) 17:50 - Industrial Park (remote visit)
18:00	18:05 - 5G Empowers Industrial Transformation 18:15 - Moderator Speech 18:20 - Energy Efficiency in the 5G Era: Green Is the New Black 18:30 - Innovations Sparkle Value 18:40 - 3 Proposals on Wireline Network in 5G Initial Stage 18:50 - Closing Remarks

# SESSIONS

## DAY 2 - USER CONGRESS -

Global 5G Summit and User Congress 2020

24-25 November 2020  
Virtual Event

---

### Introduction of 5G Summit

15:55 - 16:00

#### Participants

**James Crawshaw** - Principal Analyst, Omdia

---

### Opening & Welcome Speech

16:00 - 16:05

#### Participants

**Zhang Jianpeng** - SVP, President of ZTE Global Marketing, ZTE

---

### Remote exhibition hall visit (Live)

16:05 - 16:20

---

### Slicing Packet Network (SPN) Oriented to 5G Transport

16:20 - 16:30

#### Participants

**Li Han** - Chief Expert, Research Institute, China Mobile

---

### WindTre Journey to 5G

16:30 - 16:40

#### Participants

**Margherita Fulvio** - Head of Radio and Device Engineering, Wind Tre

---

### Stay Together to Embrace a 5G Future

16:40 - 16:50

#### Participants

**Christian Laqué** - CTO, A1 Belarus
